I understand that, above all, Destination Imagination is a commitment to a team. I will do my best to be at each meeting ready to work. All other team members will depend on me to bring my ideas, creativity, positive attitude, and respect for others to every meeting. I will learn how to listen to and build on other people's ideas, and I will help my team succeed through my words, actions, and hard work.

I also understand that the coach of my team is a **volunteer** and will spend an incredible amount of time this season helping my team and me be successful. For this reason, I will make sure my behavior at each meeting is respectful and appropriate. My family and I have discussed what respectful and appropriate behavior looks, sounds, and feels like.

I have read and discussed this contract with my parents. By signing my name, I pledge that I will do my best to make choices and act in a way that will help my team succeed. In the unfortunate event that my behavior does not match the expectation described in this contract, I understand that I will be asked to meet with Mr. Long. If I need to meet with Mr. Long because of my behavior more than once, I understand that I will be asked to not continue my participation in Destination Imagination.
